Book Overview:

From the national bestselling author of Alice comes a familiar story with a dark hook—a tale about Peter Pan and the friend who became his nemesis, a nemesis who may not be the blackhearted villain Peter says he is.

There is one version of my story that everyone knows. And then there is the truth. This is how it happened. How I went from being Peter Pan’s first—and favorite—lost boy to his greatest enemy.

Peter brought me to his island because there were no rules and no grownups to make us mind. He brought boys from the Other Place to join in the fun, but Peter's idea of fun is sharper than a pirate's sword. Because it's never been all fun and games on the island. Our neighbors are pirates and monsters. Our toys are knife and stick and rock—the kinds of playthings that bite.

Peter promised we would all be young and happy forever.

This book is one of best seller books in the world. Many of people very interesting to read this book. So, your life will be regret if you never read this book on your life.
